PETITION FOR RULE MAKING

Pursuant to 47 C.F.R.1.491, Linda Crawford respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 256A at McGregor, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 256A to McGregor, Texas, as that community's first aural broadcast transmission service. McGregor is an incorporated city with a population of 4,834 people as of January 1, 1998 according to the Texas State Data Center. McGregor has its own mayor, Jimmy Herring, its own post office, its own school system, its own fire department and its own city hall.

Re: Petition for Rule Making  
McGregor, TX – Channel 256A

Dear Ms. Crawford:

This is in response to your motion (received by the Commission on July 30, 2002), wherein you withdraw your expression of interest in the above-referenced proposal and request dismissal and return of your Petition for Rule Making (filed September 27, 2001). In accordance with the requirements of Section 1.420(j) of the Commission's rules, you have provided an affidavit attesting that you have not received and will not receive any money or other consideration in excess of legitimate and prudent expenses in exchange for the requested withdrawal of your expression of interest and the dismissal of your petition for rulemaking.

Consistent with the Commission's policy to refrain from considering rulemaking proposals absent *bona fide* expressions of interest, your request for dismissal and return of your rulemaking petition is granted. We therefore are returning your petition for rulemaking to add Channel 256A at McGregor, Texas.

Sincerely,

John A. Karousos  
Assistant Chief, Audio Division  
Media Bureau
